RAJ BHAVAN

I am pleased to know that the citizens of Jullundur have decided to raise a memorial to the great Indian singer, K.L.Saigal. Saigal was the most well known and popular Indian singer of this generation. He was not only an exceptionally talented exponent of classical Indian singing but also the most popular exponent of film music of his days. His songs have lasted long after the films faded away and even today they give pleasure to countless listeners all over the country.

It is heartening that the citizens of Jullundur have recognized the honour that K.L.Saigal brought to their city. I wish the organizers success in the musical concert and the raising of a memorial to K.L.Saigal.
